

Among The Living Psycop Book 1

Jordan Castillo Price

Among the Living Jordan Castillo Price,2016-08 Victor Bayne, the psychic half a PsyCop team, is a gay medium who's more concerned with flying under the radar than in making waves.He hooks up with handsome Jacob Marks, a non-psychic (or Stiff) from an adjacent precinct at his ex-partner's retirement party and it seems like his dubious luck has taken a turn for the better. But then a serial killer surfaces who can change his appearance to match any witness' idea of the world's hottest guy.Solving murders is a snap when you can ask the victims whodunit, but this killer's not leaving any spirits behind.

Bitter Pill Jordan Castillo Price,2020-01-09 There's a new drug on the streets called Kick. The side effects are so brutal, most folks only try it once...unless they're psychic. Then they do it until it kills them. Psychic medium Victor Bayne is well acquainted with pharmaceuticals, from the Auracel that blocks his ghosts to the Seconal that offers him a blissful night's sleep. But he's managed to steer clear of street drugs...so far. Jacob Marks has a medicine cabinet filled with every over-the-counter remedy known to man, but none of them are doing much for his mood--and his long, fruitless days of combing through records at The Clinic are taking a heavy toll. But their lackluster investigation does have one silver lining: a front row seat at The Clinic when the first Kick overdose comes in. And as scary as the drug might be, if it truly does augment psychic ability, the appeal is not lost on Vic. Because the very first hit never killed anyone. Where did Kick come from? Why is it so addictive? And why is everyone at The Clinic acting so darn shady? That's what Vic intends to find out. And if he's lucky, he can also expose a shadowy figure from Camp Hell. Unfortunately, the demons of his pill addiction might prove just as deadly as his long-buried history. He thought he'd managed to ditch that pernicious habit. But what if it was only lurking in the shadows, waiting for the best time to rear its ugly head? PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor--with a steady undercurrent of gay romance. It's best read in order, so if you're new to the series, start with PsyCop #1, Among the Living...and prepare for a hauntingly good read.

GhostTV Jordan Castillo Price,2011-03-24 For the past dozen years, Victor Bayne has solved numerous murders by interrogating witnesses only he can see-dead witnesses. But when his best friend Lisa goes missing from the sunny California campus of PsyTrain, the last thing he wants to find there is her spirit. Disappearing without a trace in a school full of psychics? That's some trick. But somehow both Lisa and her roommate have vanished into thin air. A group of fanatics called Five Faith has been sniffing around, and Lisa's email is compromised. Time is running out, and with no ghosts to cross-

examine, Vic can't afford to turn down any offers of help. An old enemy can provide an innovative way to track Vic's missing friend, and he enters into an uneasy alliance-even though its ultimate cost will ensnare him in a debt he may never manage to settle. The PsyCop series: PsyCop Partners (contains Among the Living and Criss Cross) PsyCop: Property (contains Body & Soul and Secrets) Camp Hell GhosTV

Other Half Jordan Castillo Price, 2021-01-23 Victor Bayne never saw himself as husband material, but after an undercover stint as half of a married couple, he's willing to give it a shot. Jacob Marks was eager to settle down from the get-go, so once Vic popped the question, the wedding should've been smooth sailing. But new evidence has come to light that casts a pall over the whole affair: decades of psychic experimentation and intrigue. Vic would hardly be shocked to discover he's been an unwitting test subject, but it's not his name on the roster. It's Jacob's. Planning a wedding on short notice is challenging enough without a covert investigation. Vic can deal with premarital counseling, floral emergencies, and the world's most annoying baker-but can he handle what he finds out about his other half? PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor--with a steady undercurrent of gay romance. It's best read in order, so if you're new to the series, start with PsyCop #1, Among the Living...and prepare for a hauntingly good read.

Subtle Bodies Jordan Castillo Price, 2022-08-21 It's probably nothing.... Usually, when Victor Bayne is called upon to investigate a ghostly apparition, the haunting can be chalked up to a perfectly mundane cause. When he's sent to check out some suspicious phenomena in small-town Iowa-and no one seems unduly alarmed-he's hoping for more of a weekend getaway. Especially since he's bringing along Jacob as his Stiff. He ends up finding way more than he bargained for. Women undressing in public-with no memory of doing so. A car rental agent who knows far more than she should. And a shocking discovery they must keep to themselves at all costs. Instead of merely supporting Vic, Jacob finds himself thrust into the driver's seat, using a talent that's clumsy and untested. And when Vic starts acting just as strange as the stripping women, all bets are off. Can Vic and Jacob get a handle on the situation before FPMP National storms in and shuts them down for good? PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor-with a steady undercurrent of gay romance. It's best read in order, so if you're new to the series, start with PsyCop #1, Among the Living...and prepare for a hauntingly good read.

PSYCOP BRIEFS Jordan Castillo Price, 2016-10-03 Victor Bayne sees dead people for a living...and he sees them off the clock, too. After all, ghosts don't confine their appearances to a psychic medium's work hours. From the macabre to the mundane, from titillating to tender, these PsyCop shorts feature stolen moments between the novels. Get a glimpse of Vic's life with Jacob between cases, from both men's viewpoints. Gain new insight on their psychic talents by accompanying them on odd jobs, shopping runs and family visits, or simply enjoy some downtime in the cannery. The twenty short works range in length from flash fiction to novelettes, woven together to create a novel-length narrative of Vic and Jacob's relationship from

a fresh perspective. The stories are gleaned from various sources: anthologies, newsletters, and web, with four all-new pieces to tie the collection together and delve deeper into your favorite PsyCops' domestic life.
