Rise of the Footsoldier - In My Game, The Choice is a Jail or a Grave Carlton Leach,2009-06-08 The first thing that caught my eye was the geezer with the gold tooth - the second was that he was holding a shooter - and the third that he was pointing it at me.' Carlton Leach is a gangland legend - the mere mention of his name strikes fear into his enemies; yet to his friends he is as loyal and caring as they come. If trouble comes calling, Carlton isn't afraid to let his fists do the talking and woe betide anyone who crosses him, or those close to him. At last, in Rise of the Footsoldier, Carlton gives the full account of his life including how his story has been made into a hugely successful film. Born and raised in East London, Carlton was a key member of the notorious Essex Boys gang and the West Ham InterCity Firm, one of the most violent hooligan gangs to trouble the football terraces during the eighties. He's been shot at, stabbed, glassed - he's even had an axe in his head. Yet the event that really brought turmoil into his life was the murder of his best friend in the infamous Range Rover murders. Carlton vowed that he would find those responsible and make them pay. There isn't much that Carlton hasn't seen or experienced in his life and his tales of violence, gang wars and close calls with death will have you on the edge of your seat. He knows how close he has come to dying and has therefore shut the door on a gangland life. He may have changed but, as he himself says, 'I'll always need to exercise the Carlton Leach brand of justice. It's in me -

His autobiography will send shivers down your spine...

The Jefferson County Egan Murders Dave Shampine, Daniel T. Boyer, 2014-10-14 The true story of a triple murder that shocked a New York community and drew the interest of famed criminal defense attorney F. Lee Bailey. Twenty-seven-year-old Peter Egan, his wife Barbara Ann, and Peter's younger brother Gerald were familiar to Watertown, New York, authorities long before December 31, 1964. The police suspected the brazen trio in a long string of burglaries and petty crimes. They were also under investigation by the FBI for grand theft auto. But on that New Year's night, the Egan family's criminal career came to a violent end. All three were found with a bullet to the head at a rest stop off Interstate 81. The gruesome killings puzzled local and state police. Was it a random murder? A confrontation gone awry? Or a premeditated act of retribution by hardened criminals who feared the Egans would turn state's witness? Then, a surprise arrest was made. But when F. Lee Bailey, lawyer for the self-confessed Boston Strangler, entered the fray, the case took an unexpected twist that shrouded the murders in mystery to this day.

Service Crew Caroline Gall, 2009-02-05 Paris, 1975; Chelsea, 1984; Birmingham, 1985; Bradford, 1986; Bournemouth, 1990. Many of the most shocking incidents in British football history have involved the hooligan followers of one club: Leeds United. For 40 years they have run riot across the country, punching their way to international notoriety, yet they have remained the most secretive of all mobs. Journalist Caroline Gall spent two years interviewing participants from several generations to piece together the first ever history of the gangs, from the Shipley Skins to the youths of the present day. The apex of this hooligan army was the Service Crew, who adopted their name from the service trains they used instead of the heavily policed 'specials'. They emerged as the casual era dawned and, against the violent backdrop of the Miners' Strike,

quickly became feared by their terrace foes. The police eventually launched Operation Wild Boar to take down the ringleaders, only to convict a small number of relative fringe players. Service Crew examines racism at Leeds, chronicles some of the worst incidents of football-related disorder in modern times, and charts the effects of drugs and the rave scene on the hooligans. It is the definitive story of football's most vilified fans.

Running with the Firm James Bannon, 2013-08-15 'Of course I'm a f**king hooligan, you pr**k. I am a hooligan...there I've said it...I'm a hooligan. And, do you know why? Because that's my f**king job.' In 1995, a film called I.D., about an ambitious young copper who was sent undercover to track down the 'generals' of a football hooligan gang, achieved cult status for its sheer brutality and unsettling insight into the dark and often bloody side of the so-called beautiful game. The film was so shocking it was hard to believe the mindless events that took place could ever happen in the real world. Well, believe it now... Almost twenty years on, the man behind the film has explosively revealed that the script was largely a true story. That man, James Bannon, was the ambitious undercover cop. The football club was Millwall F.C. and the gang that he infiltrated was The Bushwackers, among the most brutal and fearless in English football. In *Running with the Firm*, Bannon shares his intense and dangerous journey into the underworld of football hooliganism where sickening levels of violence prevail over anything else. He introduces you to the hardest thugs from football's most notorious gangs, tells all about the secret and almost comical police operations that were meant to bring them down, and, how once you're on the inside, getting out from the mob proves to be the biggest mission of all. A disturbing but compelling read, this is the book that proves fact really is stranger than fiction.

Tax Man Brian Cockerill, Stephen Richards, 2007 Brian Cockerill has ruled his world with an iron fist. Using nothing but his hands as weapons, he has patrolled the streets, clubs and raves of Britain in order to keep order and to 'tax' those whose ill-gotten gains he sees fit to take a share of. Yet despite his appalling record of aggression, Brian is a man who lives by rules and respect.

Escaping Perpetual Insanity Bernard O`Mahoney, 2021-09-16 In December 1995, three leading members of what became known as the Essex Boys gang were lured to an isolated farm track in the village of Rettendon Essex. Two men, Mick Steele and Jack Whomes arranged the meeting which was supposedly to discuss a consignment of drugs that was being imported by light aircraft. The meeting, was in fact a trap. Whomes shot Craig Rolfe, Pat Tate and Tony Tucker when their Range Rover came to a halt in the lane. To fulfil his part of a gruesome pact, Steele also shot the stricken men. The murders made headline news. Nearly three decades on, more films have been made about the Essex Boys than any other gang in British criminal history. Most people have now heard of them. However, the numerous newspaper articles, books and films have focused solely on Tucker, Tate, Rolfe and their murders. Few know little or indeed anything about the other gang members and what happened to them in the wake of the executions. Here, for the first time, ex-gang member and now best-selling

author, Bernard O`Mahoney reveals the trials, tribulations and in some cases, the gruesome end of his former partners in crime. Some were murdered, others became murderers, few walked away unscathed. The story unfolds alongside O`Mahoney's own remarkable journey which is littered with violence, shocking tragedies, deep regret...but always hope.

Essex Boys Bernard O'Mahoney,2015-12 On December 6th, 1995, three key members of the infamous Essex Boys gang were lured to a deserted farm track on the pretense of planning a robbery. As the trio sat in their Range Rover, two gunmen approached the open rear door of the vehicle. Moments later the first shots rang out, signaling the start of a swift yet bloody massacre. When the weapons fell silent, the three men lay dead. Before the gun smoke had cleared, rumors laced with innuendo and lies had begun circulating throughout the Essex underworld and beyond. Who really killed Tony Tucker, Pat Tate, and Craig Rolfe soon became the greatest mystery in British criminal history. Despite countless books, films, and documentaries pointing accusing fingers at an array of suspects, no clear cut version of events backed by hard evidence has emerged. That is, until now. Bernard O'Mahoney breaks his silence. He is the man who knows who killed who, why, how, and when. This is his confession. This is the truth, the whole truth, and nothing but the truth about the Essex Boys murders and so much more.

Mr. Smiley Howard Marks,2016-04-21 Howard Marks has been diagnosed with terminal cancer. But determined not to go quietly into the night, he has decided that it is time to release Mr Smiley, the story of his last, and arguably his biggest ever, drug scam at the height of the '90s ecstasy frenzy. On his release from prison in 1995, Howard had made a promise to himself and family that this time he was going to go straight...But some people are just born for the life, and it is not long before Howard finds himself trying ecstasy and rubbing shoulders with some of the king-pins of the pill trade that has set the Ibiza scene ablaze. Incredibly funny, moving and scabrous, Mr Smiley is a free-standing follow up to Mr Nice, which follows a journey to the heartland of the clubbing scene and British crime. It is also a fitting last word from one of Britain's best loved bad boys.

Terrace Legends - The Most Terrifying And Frightening Book Ever Written About Soccer Violence Cass Pennant,2015-01-01 Meet the men who, for decades, have ruled the football terraces. They are the faces behind the biggest firms in football history; behind the rucks, the rules and the respect. They have caused chaos for the public and the press and struck fear into rival fans that have crossed their path. In this book, the men behind the mobs have joined forces to reveal their experiences as key figures in the most notorious terrace fights. From the bovver boys of the sixties and seventies to the football casuals of the eighties, the names central to the biggest firms - the names that were to become the stuff that terrace legends were made of - have all been tracked down and interviewed. They tell their stories in this book.

Young Offender Michael Maisey,2019-07-11 'A memoir to shine a light in the darkest of nights . . . a story of redemption' - journalist Tony Parsons. Michael Maisey was excited the day he was locked up in the notorious Feltham Young Offenders

Institute. He was going to be a legend to all his mates. The sixteen year old was in for attempted murder. He was innocent of this particular crime but amongst the violent and dangerous young men on his wing he was about to learn exactly how far he'd go to survive. In *Young Offender* we see what turned a good kid into a wanted criminal. Abused by his uncle, bullied at school, at the age of twelve he found the safety he craved in the ranks of a local gang in West London. He graduated from shoplifting to armed robbery and for five years Michael was in and out of Feltham, on a downward spiral of crime and drug and alcohol addiction. At rock bottom, he began attending AA meetings. But the road to recovery would mean changing himself in the deepest possible ways. Could Michael finally learn what it meant to be a good man? Honest and inspiring, this is a powerful story of redemption. Today Michael is a successful businessman and a loving father who spends time helping others find their way. 'Courageous and brutally honest' – Ollie Ollerton, ex-Special Forces soldier, author of *Break Point*.

Essex Boy Bernard O'Mahoney, Steven Ellis, 2011-03-04 Two films and numerous books have attempted to tell the shocking story of two of Britain's most ruthless gangs. For 20 years, the Essex Boys firm and their successors, the New Generation, controlled a lucrative drugs empire in Essex and throughout the south east of England by using intimidation, gratuitous violence and murder. Rampaging through the streets and clubland, they destroyed anything and anybody that dared to get in their way. Eventually torn apart by greed and paranoia, the gang members became victims of their own vile trade and hate-filled actions. Pat Tate, Tony Tucker and Craig Rolfe were all blasted repeatedly with a shotgun as they sat in their Range Rover down a remote farm track. Dean Boshell was lured to allotments, then beaten and shot execution-style three times through the head. Others, such as Darren Nicholls and Damon Alvin, turned Super Grass and disappeared into the witness protection scheme never to be seen again, while three other men are in prison serving life sentences. Steve 'Nipper' Ellis is the last man standing, the only member to have survived the bloody reign of both gangs. In *Essex Boy*, he tells his shocking story for the first time, and reveals just how close he came to being both murderer and murder victim.

Cider with Rosie Laurie Lee, Nick Darke, Tim Bezzant, 1993 The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This is a dramatization of Laurie Lee's warm and humorous memories of his boyhood in a Cotswold village.

Joey Pyle: Notorious - the Changing Face of Organised Crime J. Pyle, Earl Davidson, 2005 My dad stopped me at the top of the stairs, 'What are you doing? You've got a fight tomorrow!' 'But I can earn more money like this.' 'Look son, you've got to make a decision. What do you want to be? A thief or a fighter?' 'Dad, I think I want to be a thief.' The Karys, the Richardsons and men like Buster Edwards or Freddie Foreman may be better known, but by the end of the sixties they were either in prison or living in enforced exile. Joey Pyle was (and continues to be) ever bit as notorious, feared and respected. His broad range of criminal contacts and associates ensured he was either involved in or very much aware of every major criminal escapade that took place. From the murder of Jack the Hat by the Kray twins to the Great Train Robbery, from the

fatal shooting at the Pen Club to the American Mafia's attempts to penetrate London's casino scene, Pylo has seen it all.

Strangeways Neil Samworth, 2018-06-12 Britain's prison system is in crisis. Prisoners catatonic on Spice, prison officers under extreme stress, overcrowding, riots, fatal stabbings – barely a week goes by without disturbing reports reaching the outside world of life inside our jails. For eleven years, Neil Samworth worked as a prison officer in perhaps the most notorious of all prisons, Strangeways, now HM Prison Manchester. He left in 2016 and, having kept a diary for many years, is ready to tell his story. Strangeways: My Life As A Prison Officer is a no-holds-barred account of one man's struggle to keep his professional composure and sanity in one of Britain's toughest jails. From the chaotic, intimidating atmosphere of K wing, which houses more than 200 prisoners spread over three landings, to the healthcare unit where the prison's most mentally disturbed prisoners are held, Neil has seen it all – cell fires, suicides, terrifying violence. He has had to beat back his own emotions as he deals with psychopathic killers and witnessed the worst of human nature but also the best, and some of the most moving passages in the book recall the embattled camaraderie among his colleagues.
