Sweeney Todd, the Demon Barber of Fleet Street-Hugh Wheeler 1991 Barber Sweeney Todd returns to London seeking revenge for the loss of his wife and daughter by killing customers and dropping to the shop downstairs to be made into meat pies by Mrs. Lovett. Includes sketches and photographs from several productions.

The String of Pearls-James Malcolm Rymer 2018-10-23 Sweeney Todd is a barber who murders his customers and turns their remains into meat pies sold at the pie shop of Mrs. Lovett, his partner in crime. His barber shop is situated in Fleet Street, London, next to St. Dunstan's church, and is connected to Lovett's pie shop in nearby Bell Yard by means of an underground passage. Todd dispatches his victims by pulling a lever while they are in his barber chair, which makes them fall backward down a revolving trapdoor and generally causes them to break their necks or skulls on the cellar floor below. If the victims are still alive, he goes to the basement and "polishes them off" by slitting their throats with his straight razor.

Sweeney Todd-Peter Haining 2007 Argues that the legendary character Sweeney Todd was an actual historical figure who committed his crimes in eighteenth-century London and was victimized by the poverty and crime that was prevalent in the underworld of that time period.

Sweeney Todd-George Dibdin Pitt 2002 Variations on this play have been filmed and put on Broadway as a musical. This version, carefully restored by author and scholar Marvin Kaye, returns to the original text. Footnotes and an Afterword on staging a production of "Sweeney Todd" based on this text provide useful additional information. (Plays/Drama)

Sweeney Todd-Frederick Hazleton 1980

Sweeney Todd-Christopher Godfrey Bond 1974 Melodrama / Casting: 8m, 3f / Scenery: Simple ints./exts. In this version of the old melodrama, Todd has some grounds for his nefarious activities: his wife was abducted and raped by the Judge and his daughter abandoned, while he himself was deported on a false charge. He returns to avenge his family, accompanied by a sea captain, Anthony, whose life he has saved. Anthony falls in love with a young girl, the Judge's ward, who turns out to be Todd's daughter. Todd, meanwhile, sets up with Mrs. Lovett, the pie maker, and provides her with fillings for her pies. He proceeds with his vengeful plans but the outcome is bitterly ironic.

Sweeney Todd-Seán Michael Wilson 2012 Presents in graphic novel format an adaptation of the classic Victorian tale of Sweeney Todd, the barber who robbed and murdered his customers and disposed of their remains at the local bakery, where they were made into meat pies.

Sweeney Todd-Mark Salisbury 2007 Offers an inside look at the making of the film, including the casting, music, costumes, and sets, along with background information on the legend of Sweeney Todd, interviews with the cast and crew, and excerpts from the screenplay.

Sweeney Todd - Anonymous Anonymous 2013-03-25 The "penny blood" came into being through a process which began with higher standards of general education and literacy in England at the beginning of the 19th century, and continued with the invention of fast and efficient printing presses and cheap paper production. These combined elements simultaneously created a new, mass market for literature, and fed that market with new, affordable product. The gothic novel, popular amongst a rarefied class of literary readers, duly gave way to sensationalistic, graphic shockers for the masses. The PENNY BLOOD CLASSICS ebook series, which focuses on the "golden age" of the penny bloods, starts with the legendary tale of Sweeney Todd, cut-throat barber of London's Fleet Street. Perhaps inspired by "Horrible Murder And Human Pie-Makers", a gruesome true crime story published in 1825 in The Tell-Tale and included here as a fascinating bonus story, Todd first appeared in Edward Lloyd's celebrated serial "The String Of Pearls" (1846-47), most likely written by James Malcolm Rymer, either alone or alternating with Thomas Peckett Prest. The blood-curdling version included here is from a lesser-known periodical, probably published around 1850, by which time Todd had acquired, via a theatrical melodrama by George Dibden Pitt, his famous catch-phrase "I'll polish him off". The book also includes an extensive introduction on the history of the penny blood.

Sweeney Todd - Thomas Prest 2013-04-16 Thomas Prest was a prolific and popular writer of Victorian penny dreadfuls. The 'demon barber', Sweeney Todd, was his most famous and successful creation. Many of the penny dreadful stories, particularly those dating back to the 1800s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Sweeney Todd - Austin Rosser 1971 Apart from a surprising change of heart and bid for sympathy at the final moment, this version of the classic story, Todd glories in his villainies throughout and gleefully slaughters right and left until the cast is almost eliminated. Commendably, the story is treated seriously and 'guying' is discouraged.3 women, 6 men, 2 boys

Sweeney Todd - Tim Kelly 1978-06

Sweeney Todd, the Demon Barber of Fleet Street - George Dibdin Pitt 1928
The String of Pearls, James Malcolm Rymer 2018-03-03 This is the mystery novel that started it all: The gruesome legend about the "demon barber of Fleet Street." Many people still believe that Sweeney Todd and his aide, the pie-baking Mrs Lovett next door, were real people living at the turn of the century 1800, the time period in which the story is set, but The String of Pearls is in fact pure fantasy, based on a French myth which has been traced down to the 17th century, "The bloody legend about the barber and the patissier." The earliest known version of this myth can be found in a book from 1612, written by the priest Jacques du Breul. However, The String of Pearls is a very thrilling and suspenseful story in its own right. The novel was published anonymously as a serial in the penny magazine The People's Periodical and Family Library, in 1846-47. It was written by either James Malcolm Rymer (1814-84) or Thomas Peckett Prest (probably 1810-59), but presumably by both in collaboration. Rymer and Prest were the kings of "penny dreadful," also responsible for Varney the Vampyre (1845-47), the most successful penny dreadful ever and a precursor to Bram Stoker's Dracula.

The String of Pearls, James Malcolm Rymer 2020-08-21 This classic "pennydreadful" novel, first serialized in the years 1846-1847, has been thrilling and chilling audiences for a hundred and seventy-four YEARS. Celebrated on stage and screen, the story of the mad, murderous barber Sweeney Todd, who holds forth as the king of a murderous court in old, wicked London, is a grim and grisly gothic horror epic the likes of which the reader is not soon to forget. Bloody and weird, this sordid saga of sadism will keep the reader up many long, dreary, and dreadfully nightmarish nights.
