**Applications of Robotics in Industry Using Advanced Mechanisms** Janmenjoy Nayak, Valentina E. Balas, Margarita N. Favorskaya, Bibhuti Bhusan Choudhury, S. Krishna Mohan Rao, Bighnaraj Naik, 2019-09-03 This book shares important findings on the application of robotics in industry using advanced mechanisms, including software and hardware. It presents a collection of recent trends and research on various advanced computing paradigms such as soft computing, robotics, smart automation, power control, and uncertainty analysis. The book constitutes the proceedings of the 1st International Conference on Application of Robotics in Industry using Advanced Mechanisms (ARIAM2019), which offered a platform for sharing original research findings, presenting innovative ideas and applications, and comparing notes on various aspects of

robotics. The contributions highlight the latest research and industrial applications of robotics, and discuss approaches to improving the smooth functioning of industries. Moreover, they focus on designing solutions for complex engineering problems and designing system components or processes to meet specific needs, with due considerations for public health and safety, including cultural, societal, and environmental considerations. Taken together, they offer a valuable resource for researchers, scientists, engineers, professionals and students alike.

**NAMMA DHWANI** Dr. B. SUNIL,2021-05-03 There exists no doubt, considering the proactive role of mass communication in gathering, disseminating and gauging the public opinion and motivating them towards a desired change. This role by mass media is more important, particularly, in India where citizens are being seen as information starving and being deprived of much required knowledge to better their lives. Studies in the past have pointed out that, media have and continues to play an important and decisive role in nations that are categorized as third world countries, in bringing about development and leading to a predetermined social change. Furthermore, media can play an independent and objective role in a democratic political setup in India, by bringing forth various opinions and ideas, thereby nurturing an informed citizen about the policies, developments and issues concerning them.
