Your Best Life Now-Joel Osteen 2014-08-05 Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In Your Best Life Now, Osteen says, "I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator." He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.
The Last Outcast-Chris Okotie 2001

Political Spiritualities-Ruth Marshall 2009-08-01 After an explosion of conversions to Pentecostalism over the past three decades, tens of millions of Nigerians now claim that “Jesus is the answer.” But if Jesus is the answer, what is the question? What led to the movement’s dramatic rise and how can we make sense of its social and political significance? In this ambitiously interdisciplinary study, Ruth Marshall draws on years of fieldwork and grapples with a host of important thinkers—including Foucault, Agamben, Arendt, and Benjamin—to answer these questions. To account for the movement’s success, Marshall explores how Pentecostalism presents the experience of being born again as a chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras. Her astute analysis of this religious trend sheds light on Nigeria’s contemporary politics, postcolonial statecraft, and the everyday struggles of ordinary citizens coping with poverty, corruption, and inequality. Pentecostalism’s rise is truly global, and Political Spiritualities persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics.

**Nigeria's Leading Lights of the Gospel**-Femi Adelegan 2013 Femi Adelegan, a Nigerian child of God, is a deacon at the Sword of the Spirit Ministries, a Nigerian Pentecostal organization founded by Bishop Francis Wale Oke. He was born to Christian parents. His father was the late Chief S. T. Adelegan, a one-time vice-president of Nigeria’s chapter of the Young Men’s Christian Association and deputy speaker, Western Nigeria House of Assembly. His late mother, Mrs. Eunice Adelegan, was a very strong member of the Young Women’s Christian Association. Currently the principal secretary to the national secretary of the People’s Democratic Party (the ruling political party in Nigeria), the author is a seasoned bureaucrat and information manager with a broad horizon. He was chief private secretary/adviser to the governor of Osun State on policies, programmes and plans implementation (2003–2010) and chief press secretary to four successive governors of Osun State (1994–2000). He is the author of Governance: An Insider’s Reflections on the Nigerian Polity (2009) and The Press Secretary (1998).

**Pentecostalism in Africa**- 2014-10-16 Bringing together prominent Africanist scholars from a variety of disciplines, this book offers a comprehensive treatment of the social, cultural and political impact of Pentecostal-Charismatic Christianity in postcolonial sub Saharan Africa.

**The Bible in Pastoral Practice**-Paul H. Ballard 2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there’s no question that Aimée is a killer and a more than professional one. Now she’s set her eyes on a backwater burg-where, while posing as an innocent (albeit drop-dead gorgeous)
newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. InFatalehe mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

**Contemporary Sociological Theory and Its Classical Roots** - George Ritzer
2017-12-08 Now with SAGE Publishing, Contemporary Sociological Theory and Its Classical Roots: The Basics, is a brief survey of sociology's major theorists and theoretical approaches, from the Classical founders to the present. With updated scholarship in the new Fifth Edition, authors George Ritzer and Jeffrey Stepnisky connect many theorists and schools of thought together under broad headings that offer students a synthesized view of sociological theory. This text is perfect for those who want an accessible overview of the entire tradition of sociological thinking, with an emphasis on the contemporary relevance of theory.

**The New World Order** - Pat Robertson 1991 With prophetic timing, Pat Robertson takes a penetrating look at the reality and rhetoric of the coming new world order and the implications for people of faith. This New York Times bestseller gives a compelling assessment of the imminent dangers looming on the world's horizon.

**Christianity, Sexuality and Citizenship in Africa** - Adriaan van Klinken
This book explores the interconnections between Christianity, sexuality and citizenship in sub-Saharan Africa, chronicling the ways in which citizenship in the region has undergone profound changes in recent decades as a result of growing interaction between Christianity and politics, the impact of the HIV epidemic, debates about women's reproductive rights, and the growing visibility of lesbian, gay, bisexual and transgender (LGBT) communities. Case studies examine the emergence of Christianity, especially in its Pentecostal-Charismatic forms, as a public religion, and how this emergence has meant that Christian actors, beliefs and practices have increasingly come to manifest themselves in the public sphere. The contributors assess how many political and religious leaders are invested in a popular ideology of the heterosexual family as the basis of nation-building, and how this defines narratives of nationhood and shapes notions of citizenship. Additional case studies focus on the emergence of sexuality as a critical site of citizenship and nationhood in postcolonial Africa, and address the difficulties that LGBT communities face in claiming recognition from the state. Offering case studies from across sub-Saharan Africa and spanning several academic disciplines and critical perspectives, this book will be of interest to researchers seeking to understand the complex intersections of religion, sexuality, politics and citizenship across the region. This book was originally published as a special issue of Citizenship Studies.

**Pentecostalism and Politics in Africa**-Adeshina Afolayan

2018-06-29 As the epicenter of Christianity has shifted towards Africa in recent decades, Pentecostalism has emerged as a particularly vibrant presence on the continent. This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism. Situated at the intersection between the political, the postcolonial, and global
neoliberal capitalism, contributors examine the roots of the Pentecostal movement’s extraordinary growth; how Pentecostalism intervenes in key social and political issues, such as citizenship, party politics, development challenges, and identity; and conversely, how politics in Africa modulate the Pentecostal movement. Pentecostalism and Politics in Africa offers a wide-ranging picture of a central dimension of postcolonial African life, opening up new directions for future research.

Global Pentecostalism- Donald E. Miller 2007-09-03 How and why is Christianity's center of gravity shifting to the developing world? To understand this rapidly growing phenomenon, Donald E. Miller and Tetsunao Yamamori spent four years traveling the globe conducting extensive on-the-ground research in twenty different countries in Africa, Asia, Latin America, and Europe. The result is this vividly detailed book which provides the most comprehensive information available on Pentecostalism, the fastest-growing religion in the world. Rich with scenes from everyday life, the book dispel many stereotypes about this religion as they build a wide-ranging, nuanced portrait of a major new social movement.

**The biblical and theological examination of prosperity theology** - Basilius Kasera

Thesis from the year 2012 in the subject Theology - Systematic Theology, grade: B, course: Theology - Systematic Theology (Ethics), language: English, abstract:

This thesis conducts a biblical and theological analysis of the prosperity theology’s (PT) impact amongst the poor. The main problem is to seek ways of effectively responding to the biblical, theological, and ideological problems raised by PT in Namibia, without overlooking the social issues of poverty and suffering, which this theology claims to be solving. The subject under discussion is found in various denominations but especially amongst neo-Pentecostal churches and it is not a standardised theology. Through interacting with the various views of the proponents and opponents this research proposes that although PT may have certain
positive aspects, it is a theology established upon faulty hermeneutics and is not helpful in providing biblically and theologically sound solutions to the problem of poverty. The research aims to show that Christians have a biblical mandate to care for the poor and to work towards assisting the poor to help themselves. However, we do not foresee a time in the here and now when poverty will be totally abolished. Living with this painful reality, we have the duty of continuously pointing people to the future hope in Christ. On the other hand, our looking to the future hope does not exempt us from doing our best in helping people in the here and now as God enables us. The research shows that the gospel is the hope for humanity and we should do away with methods and practices that do not have their roots in Scripture. Moreover, the church has a duty to warn against any theology that is conducted in an irresponsible manner and is given to reductionist arguments when it comes to providing solutions to human problems. Therefore, the research seeks to suggest biblical, theological and practical ways of responding to the issue of poverty and ministry to the poor.

Studying Global Pentecostalism - Allan Anderson 2010-09-24 With its remarkable ability to adapt to many different cultures, Pentecostalism has become the world’s fastest growing religious movement. More than five hundred million adherents worldwide have reshaped Christianity itself. Yet some fundamental questions in the study of global Pentecostalism, and even in what we call “Pentecostalism,” remain largely unaddressed. Bringing together leading scholars in the social sciences, history, and theology, this unique volume explores these questions for this rapidly growing, multidisciplinary field of study. A valuable resource for anyone studying new forms of Christianity, it offers insights and guidance on both theoretical and methodological issues. The first section of the book examines such topics as
definitions, essentialism, postcolonialism, gender, conversion, and globalization. The second section features contributions from those working in psychology, anthropology, sociology, and history. The third section traces the boundaries of theology from the perspectives of pneumatology, ecumenical studies, inter-religious relations, and empirical theology.

Angels and Demons - Benny Hinn 2011-07-10 According to Scripture, our struggle is not against “flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places”, Ephesians 6:12. In this ground-breaking book, you will come face to face with the two most opposing spiritual forces operating in our world: angels and demons. These are not figments of our imagination, but are alive and real at this very moment. Discover seven specific facts we need to know about spiritual beings. Fight with the assurance that the war was won at Calvary and ultimate victory is on the way!

The Jehu Prayers - Dr. D. K. Olukoya 2013-05-31 The devil has used the dragnet of witchcraft to hold on to the world. The revival of satanism on the face of the earth is a sign of desperation. Right now the children of darkness have opened their doors to train men in wickedness. There is an enemy that hates mankind and his progress with perfect hatred. This enemy is known as witchcraft. To confront this spirit, we must be ruthless towards it. Operation Jehu is catch and destroy, throw and destroy, cage and destroy.

African Christianity - Paul Gifford 1998 These detailed analyses of the state of the churches in each country suggest more general patterns operating widely across sub-Saharan Africa.

Fields White Unto Harvest - James Goff 2015-01-15 With fifty-one million people worldwide actively worshiping in Pentecostal circles,
Pentecostalism is not only the single largest movement in Protestantism, but is arguably the single most important religious movement in modern times. But where did these Pentecostals come from? And how did a movement that began obscurely in turn-of-the-century Kansas come to have so much meaning for so many millions of people? This biographical study of Charles Fox Parham offers a fascinating account of this movement’s origins in the American Midwest and of the one man most responsible for giving that movement its identity. An inspired itinerant preacher from the Kansas prairies, Parham pieced together the unique Pentecostal theology and dedicated his short life to spreading his message of divine hope—a message that was to strike a responsive chord in the hearts of a hard-working people discouraged by frequent economic depression. His story is one of both triumph and defeat, the saga of a sickly farm boy who by the age of thirty-three had converted almost ten thousand followers and yet, less than five years later, had fallen into obscurity, his name besmirched by scandal and his leadership repudiated by the very movement he had struggled so tirelessly to inspire. Exhaustively researched, Fields White Unto Harvest is an in-depth study of the sociological significance of the Pentecostal movement, its roots in the evangelical thought of the late nineteenth century, and the several directions of its growth in the twentieth. Through Parham’s story, woven into a fascinating narrative by James Goff, we achieve a new understanding of the man behind the movement that would eventually alter the landscape of American religious history.

Christian Mission-Dana L. Robert 2009-04-06 Exploring how Christianity became a world religion, this brief history examines Christian missions and their relationship to the current globalization of Christianity. A short and enlightening history of Christian missions: a phenomenon that many say reflects the single most important intercultural
movement over a sustained period of human history
Offers a thematic overview that takes into account the political, cultural, social, and theological issues Discusses the significance of missions to the globalization of Christianity, and broadens our understanding of Christianity as a multicultural world religion Helps Western audiences understand the meaning of mission as a historical process Contains several new maps that illustrate demographic shifts in world Christianity

Into the Future-Elmer L. Towns 2000 Examines fourteen trends and shows how pacesetting leaders have responded to them, outlining solid action plans for your church's twenty-first-century readiness.

Heaven Below-Grant WACKER 2009-06-30 In this lively history of the rise of pentecostalism in the United States, Grant Wacker gives an in-depth account of the religious practices of pentecostal churches as well as an engaging picture of the way these beliefs played out in daily life. The core tenets of pentecostal belief--personal salvation, Holy Ghost baptism, divine healing, and anticipation of the Lord's imminent return--took root in the first quarter of the twentieth century. Wacker examines the various aspects of pentecostal culture, including rituals, speaking in tongues, the authority of the Bible, the central role of Jesus in everyday life, the gifts of prophecy and healing, ideas about personal appearance, women's roles, race relations, attitudes toward politics and the government. Tracking the daily lives of pentecostals, and paying close attention to the voices of individual men and women, Wacker is able to identify the reason for the movement's spectacular success: a demonstrated ability to balance idealistic and pragmatic impulses, to adapt distinct religious convictions in order to meet the expectations of modern life. More than twenty million American adults today consider themselves pentecostal. Given the movement's major place in
American religious life, the history of its early years--so artfully told here--is of central importance.

**Between Babel and Pentecost**-André Corten 2001 This text considers the important transnational character of Pentecostal movements in Africa and Latin America and their tendency to foster identities that transcend national and cultural contexts.

**Impact of Socio-economic Development on Populations of Some Parasites and Vectors in Ghana**-William Addo Chinery 1990

**Setting the Covens Ablaze**-Dr. D. K. Olukoya 2016-03-02 More than any time in our generation, the powers of witchcraft are at work in our lives, families, societies, etc. Their operations affect our business, finances, economy, children and all spheres of life. How to deal with it is the subject matter of this book.

**Lord, I Need a Miracle**-Benny Hinn 1993

**The Changing Face of Christianity**-Lamin Sanneh 2005-03-10 Over the past century, Christianity's place and role in the world have changed dramatically. In 1900, 80 percent of the world's Christians lived in Europe and North America. Today, more than 60 percent of the world's Christians live outside of that region. This change calls for a reexamination of the way the story of Christianity is told, the methodological tools for its analysis, and its modes of expression. Perhaps most significant is the role of Africa as the new Christian heartland. The questions and answers about Christianity and its contemporary mission now being developed in the African churches will have enormous influence in the years to come. This volume offers nine new essays addressing this sea-change and its importance for the future of Christianity. Some
contributions consider the development of "non-Western" forms of Christianity, others look at the impact of these new Christianities in the West. The authors cover a wide range of topics, from the integration of witchcraft and Christianity in Nigeria and the peacemaking role of churches in Mozambique to the American Baptist reception of Asian Christianity. The Changing Face of Christianity shows the striking cultural differences between the new world Christianity and its western counterpart. But with so many new immigrants in Europe and North America, the faith's fault lines are not purely geographical. The new Christianity now thrives in American and European settings, and northerners need to know this faith better. At stake is their ability to be good neighbors-and perhaps to be good Christian citizens of the world.

**Violent Conversion**-Linda van de Kamp 2016 Examines Pentecostal conversion as a force of change, revealing new insights into its dominant role in global Christianity today.

Now, in his newly expanded book, Going Deeper with the Holy Spirit, Benny Hinn shares intimate and seasoned insights, based on his personal study and 30 years of ministry, of how you can enter a new and glorious relationship with the Helper and Comforter. You will discover: - The Person of the Holy Spirit - The Names of the Holy Spirit - The Work of the Holy Spirit - Learning to Cooperate with the Holy Spirit

**In Search of Health and Wealth**-Hermen Kroesbergen

*Downloaded from makeover.ixiacom.com on September 14, 2021 by guest*
The prosperity gospel is very influential in Africa, in Pentecostal churches, and in Reformed churches. But what is the prosperity gospel? Where did it originate? Is it biblically sound? How should we evaluate the prosperity gospel? Does it represent a wrong way of looking for health and wealth, or can we learn something from it? In this book the authors provide an analysis from different perspectives on the highly debated topic of the prosperity gospel. It is intended to be accessible and helpful both to academic colleagues and to ordinary ministers. Most of the authors are lecturers at Justo Mwale Theological University College in Lusaka (Zambia). Together with Prof. L. Togarasei from the University of Botswana, they use their theological skills to examine and assess this important topic from an African and Reformed perspective. The articles in this book will help anyone who wants to deeply explore and evaluate the intriguing phenomenon of the prosperity gospel in Africa. Book jacket.
