

J A Rogers From Superman To Man

J. A. Rogers

From "Superman" to Man J. A. Rogers, 2011-05-01 The first book from "a tireless champion of African history," a novel that "challenged the theories that Blacks were inferior to whites" (New York Amsterdam News). Joel Augustus Roger's seminal work from the Harlem Renaissance, this novel—first published in 1917—is a polemic against the ignorance that fuels racism. The central plot revolves around a train speeding to California, serviced by an African American porter named Dixon. On board is a United States senator from Oklahoma, a man obsessed by race who makes no attempts to hide his prejudice. Unable to sleep, the politician encounters Dixon in the smoking car, and thus ensues a debate about religion, science, and racial equality . . . "A bold discussion novel in which a cultured, well-travelled, black Pullman porter is drawn into a debate with a white passenger, a Southern senator, on the question of the superiority of the Anglo Saxon and the inferiority of the Negro." —The Guardian "A genuine treasure. I still insist that From 'Superman' to Man is the greatest book ever written in English on the Negro by a Negro and I am glad to know that increasing thousands of black and white readers re-echo the high opinion of it which I had expressed some years ago." —Hubert Henry Harrison "A stirring story, faithful to truth and helpful to a better understanding and feeling." —Prof. George B. Foster, University of Chicago

From Superman to Man (1917) J. A. Rogers, 2020-06-23 Racism has surfaced time and again through the course of American history. Men and women have attempted to justify their absurd opinions through a variety of arguments, from religion to science, to history and culture. J. A. Roger's brilliant polemic From Superman to Man uncovers how truly weak racist arguments are. Set in a train carriage the plot revolves around the debate between a white racist Southern politician and an African-American Pullman porter. Every stereotypical argument that is put forward by the politician is rebuffed by the porter who uses sophisticated points backed up with solid evidence to counter the frequently offensive comments. Prof. George B. Foster, University of Chicago: A stirring story, faithful to truth and helpful to a better understanding and feeling. New York Evening Post: This porter, who had attended Yale, had travelled extensively and spoke several languages, had at his fingers' end the arguments necessary to prove that his race was not a whit inferior to the Caucasian. W. N. C. Carlton, Esq., Librarian, Newberry Library, Chicago (in a letter to the author): I shall place your book in the permanent collection of the Library where present day and future students of the history of your race will find it a most significant document. The Brooklyn Daily Eagle: From Superman to Man is a vindication of the American Negro. Hon. George W. Ellis, F,

R. G. S, eight years Secretary of the U. S. Legation to Liberia: *From Superman to Man* by J. A. Rogers is a significant contribution to interracial literature in more ways than one. Its breadth of scholastic research, its selection and concentration of matter are as amazing as its wealth of information. The book is well written and the skillful management of materials shows not only the author's mastery of his subject, but his knowledge of the technique of the literary art. In the program of the broadest education of the races and the promotion of social concord and co-operation this volume should be in every library and home of the country. In his absorbing story we see the souls, of the white and darker worlds groping and struggling toward the better day of peace and good understanding between the races. *From Superman to Man* is a fascinating and brilliantly well-written attack on racial prejudices that deserves to be read by all. Although first written over one hundred years ago it is just as enlightening to readers of the early twenty-first century as it was in 1917. J. A. Rogers was a Jamaican-American author, journalist, and historian. He wrote widely in history, sociology and anthropology and frequently challenged ideas surrounding race and racism. His book *From Superman to Man* was first published in 1917. He passed away in 1966.

From Superman to Man Joel Augustus Rogers, 1917

From "superman" to Man Joel Augustus Rogers, 1941

From "Superman" to Man J. A. Rogers, 1968 A classic work of fiction from the Harlem Renaissance

World's Great Men of Color, Volume I J.A. Rogers, 2011-05-17 The classic, definitive title on the great Black figures in world history, beginning in antiquity and reaching into the modern age. *World's Great Men of Color* is the comprehensive guide to the most noteworthy Black personalities in world history and their significance. J.A. Rogers spent the majority of his lifetime pioneering the field of Black studies with his exhaustive research on the major names in Black history whose contributions or even very existence have been glossed over. Well-written and informative, *World's Great Men of Color* is an enlightening and important historical work.

100 Amazing Facts About the Negro with Complete Proof J. A. Rogers, 2014-09-15 First published in 1934 and revised in 1962, this book gathers journalist and historian Joel Augustus Rogers' columns from the syndicated newspaper feature titled *Your History*. Patterned after the look of Ripley's popular *Believe It or Not* the multiple vignettes in each episode recount short items from Rogers's research. The feature began in the *Pittsburgh Courier* in November 1934 and ran through the 1960s.

Nature Knows No Color-Line J. A. Rogers, 2014-09-15 In *Nature Knows No Color-Line*, originally published in 1952, historian Joel Augustus Rogers examines the origins of racial hierarchy and the color problem. Rogers was a humanist who believed that there were no scientifically evident racial divisions—all humans belong to one "race." He believed that color prejudice generally evolved from issues of domination and power between two physiologically different groups. According to Rogers, color prejudice was then used a rationale for domination, subjugation and warfare. Societies developed myths and

prejudices in order to pursue their own interests at the expense of other groups. This book argues that many instances of the contributions of black people had been left out of the history books, and gives many examples.

From Superman to Man J. Rogers, 2017-12-17 Joel Augustus Rogers (1880 -- 1966) was a Jamaican-American author, journalist, and historian who contributed to the history of Africa and the African diaspora, especially the history of African Americans in the United States. His research spanned the academic fields of history, sociology and anthropology. He challenged prevailing ideas about race, demonstrated the connections between civilizations, and traced African achievements. He was one of the greatest popularizers of African history in the 20th century. *From Superman to Man* is a stirring story, faithful to truth and helpful to a better understanding and feeling. *From Superman to Man* is a vindication of the American Negro; a significant contribution to interracial literature in more ways than one. Its breadth of scholastic research, its selection and concentration of matter are as amazing as its wealth of information. The book is well written and the skillful management of materials shows not only the author's mastery of his subject, but his knowledge of the technique of the literary art. In the program of the broadest education of the races and the promotion of social concord and co-operation this volume should be in every library and home of the country. In his absorbing story we see the souls, of the white and darker worlds groping and struggling toward the better day of peace and good understanding between the races.

From Superman to Man J A Rodgers, 2017-06-08 Rogers' work was concerned with the Great Black Man theory of history. This theory presented history, specifically black history, as a mural of achievements by prominent black people. Rogers devoted a significant amount of his professional life to unearthing facts about people of African ancestry. He intended these findings to be a refutation of contemporary racist beliefs about the inferiority of blacks. Books such as *100 Amazing Facts about the Negro*, *Sex and Race*, and *World's Great Men of Color*, all described remarkable black people throughout the ages and cited significant achievements of black people. Rogers' first book, *From Superman to Man*, self-published in 1917

Rogers devoted a significant amount of his professional life to unearthing facts about people of African ancestry. He intended these findings to be a refutation of contemporary racist beliefs about the inferiority of blacks. Books such as *100 Amazing Facts about the Negro*, *Sex and Race*, and *World's Great Men of Color*, all described remarkable black people throughout the ages and cited significant achievements of black people. Rogers' first book, *From Superman to Man*, self-published in 1917

Africa's Gift to America J. A. Rogers, 2014-09-15 Originally published in 1959 and revised and expanded in 1989, this book asserts that Africans had contributed more to the world than was previously acknowledged. Historian Joel Augustus Rogers devoted a significant amount of his professional life to unearthing facts about people of African ancestry. He intended these findings to be a refutation of contemporary racist beliefs about the inferiority of blacks. Rogers asserted that the color

of skin did not determine intellectual genius, and he publicized the great black civilizations that had flourished in Africa during antiquity. According to Rogers, many ancient African civilizations had been primal molders of Western civilization and culture.

Sex and Race, Volume 1 J. A. Rogers, 2014-09-15 In the Sex and Race series, first published in the 1940s, historian Joel Augustus Rogers questioned the concept of race, the origins of racial differentiation, and the root of the “color problem.” Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called “the bran of history”—the uncollected, unexamined history of black people—in the hope that these neglected parts of history would become part of the mainstream body of Western history. Drawing on a vast amount of research, Rogers was attempting to point out the absurdity of racial divisions. Indeed his belief in one race—humanity—precluded the idea of several different ethnic races. The series marshals the data he had collected as evidence to prove his underlying humanistic thesis: that people were one large family without racial boundaries. Self-trained and self-published, Rogers and his work were immensely popular and influential during his day, even cited by Malcolm X. The books are presented here in their original editions.

The Five Negro Presidents J. A. Rogers, 2017-11-15 Historian Joel Augustus Rogers provides his evidence that there have been nineteenth- and twentieth-century presidents of the United States who had partial black ancestry, including Harding, Jefferson, Jackson and Lincoln.

The Real Facts About Ethiopia J.A. Rogers, This work is organized as follows— Of What Race Are the Ethiopians? General History of Ethiopia Other Highlights of Ethiopian History The Story of Italian Aggression Against Ethiopia Slavery in Ethiopia Geography, Economic Conditions, Etc. The Ethiopian Man The Ethiopian Woman The Sex Lure of Ethiopia Britain’s Bond to Ethiopia What the Ethiopians Might Expect Under Italian Rule Haile Selassie I How Do the Ethiopians Feel Towards the Aframericans? Haile Selassie and Mussolini Contrasted What Are Ethiopia’s Chances of Victory Ethiopia’s Chief Need

From Man to Superman Maurice Miles Martinez,

Your History Joel Augustus Rogers, 1983 Chronicles the accomplishments of Black men and women from all times and places

World's Great Men of Color, Volume II J.A. Rogers, 2010-07-06 An eye-opening account of the great black personalities of world history. In this first volume: outstanding blacks of Asia and Africa, and historical figures before Christ -- including Akhenaton, Aesop, Hannibal, Cleopatra, Zenobia, Askia the Great, the Mahdi, Samuel Adjai Crowther, and many more. *World's Great Men of Color* is a comprehensive account of the great Black personalities in world history. J. A. Rogers was one of the first Black scholars to devote most of his life to researching the lives of hundreds of men and women of color. This first volume is a convenient reference; equipped with a comprehensive introduction, it treats all aspects of recorded Black history.

J. A. Rogers's book is vital reading for everyone who wants a fuller and broader understanding of the great personalities who have shaped our world. The companion volume covers the great Blacks of Europe, South and Central America, the West Indies, and the United States, including Marcus Garvey, Robert Browning, Dom Pedro, Alexandre Dumas, Joachim Murat, Aleksander Sergeevich Pushkin, Alessandro de' Medici, St. Benedict the Moor, and many others.

Solitary Albert Woodfox, 2019-03-12 "An uncommonly powerful memoir about four decades in confinement . . . A profound book about friendship [and] solitary confinement in the United States." —New York Times Finalist for the Pulitzer Prize and the National Book Award *Solitary* is the unforgettable life story of a man who served more than four decades in solitary confinement—in a 6-foot by 9-foot cell, twenty-three hours a day, in Louisiana's notorious Angola prison—all for a crime he did not commit. That Albert Woodfox survived at all was a feat of extraordinary endurance. That he emerged whole from his odyssey within America's prison and judicial systems is a triumph of the human spirit. While behind bars in his early twenties, Albert was inspired to join the Black Panther Party because of its social commitment and code of living. He was serving a fifty-year sentence in Angola for armed robbery when, on April 17, 1972, a white guard was killed. Albert and another member of the Panthers were accused of the crime and immediately put in solitary confinement. Without a shred of evidence against them, their trial was a sham of justice. Decades passed before Albert was finally released in February 2016. Sustained by the solidarity of two fellow Panthers, Albert turned his anger into activism and resistance. The Angola 3, as they became known, resolved never to be broken by the corruption that effectively held them for decades as political prisoners. *Solitary* is a clarion call to reform the inhumanity of solitary confinement in the United States and around the world.

Sex and Race, Volume 2 J. A. Rogers, 2014-09-15 In the *Sex and Race* series, first published in the 1940s, historian Joel Augustus Rogers questioned the concept of race, the origins of racial differentiation, and the root of the color problem. Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history—the uncollected, unexamined history of black people—in the hope that these neglected parts of history would become part of the mainstream body of Western history. Drawing on a vast amount of research, Rogers was attempting to point out the absurdity of racial divisions. Indeed his belief in one race—humanity—precluded the idea of several different ethnic races. The series marshals the data he had collected as evidence to prove his underlying humanistic thesis: that people were one large family without racial boundaries. Self-trained and self-published, Rogers and his work were immensely popular and influential during his day, even cited by Malcolm X. The books are presented here in their original editions.

Getting the books **J A Rogers From Superman To Man** now is not type of challenging means. You could not forlorn going

in imitation of ebook buildup or library or borrowing from your friends to right to use them. This is an extremely simple means to specifically get guide by on-line.
