**The Gay Talese Reader**-Gay Talese 2009-05-26 As a young reporter for The New York Times, in 1961 Gay Talese published his first book, New York-A Serendipiter's Journey, a series of vignettes and essays that began, "New York is a city of things unnoticed. It is a city with cats sleeping under parked cars, two stone armadillos crawling up St. Patrick's Cathedral, and thousands of ants creeping on top of the Empire State Building." Attention to detail and observation of the unnoticed is the hallmark of Gay Talese's writing, and The Gay Talese Reader brings together the best of his essays and classic profiles. This collection opens with "New York Is a City of Things Unnoticed," and includes "Silent Season of a Hero" (about Joe DiMaggio), "Ali in Havana," and "Looking for Hemingway" as well as several other favorite pieces. It also features a previously unpublished article on the infamous case of Lorena and John Wayne Bobbitt, and concludes with the autobiographical pieces that are among Talese's finest writings. These works give insight into the progression of a writer at the pinnacle of his craft. Whether he is detailing the unseen and sometimes quirky world of New York City or profiling Ol' Blue Eyes in "Frank Sinatra Has a Cold," Talese captures his subjects—be they famous, infamous, or merely unusual—in his own inimitable, elegant fashion. The essays and profiles collected in The Gay Talese Reader are works of art, each carefully crafted to create a portrait of an unforgettable individual, place or moment.

**Allison and the Torrid Tea Party**-C. M. Stunich 2018-10-07 Holy fucking hearts. Did you just read that?! If you did, I need your advice. I met fallen angel princes; I met a Savage Duke; I met a Cheshire Cat. And remember—how could you possibly forget—I'm the fabled Alice from the prophecy. Just a twisted, dark version of the girl in Lewis Carroll's old books. Except in those books, there was a happy ending. In those books, Alice wasn't dating nine very different, very beautiful men. But now that I've met the King of Hearts and the Mad Hatter, I'm not sure who the real bad guys are. I'm the only one who can turn Underland back into Wonderland again. But if I have a chance to escape the blood, the death, and the intrigue in this place, should I take it? I'm Allison Liddell, and I've got a choice to make: stay here and fight the darkness, defeat the Anti-Alice, and survive the Torrid Tea Party ... or run. Tweedledee says I can change the world. So if you're reading this, will you help me decide what I should do? I want to go home, but I can't leave this place as broken as I found it, now can I? ALLISON AND THE TORRID TEA PARTY (Book 2 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

**Love is a Serial Killer**-Kaballero 2019-03-02 This book is a midnight on a Tuesday without sleep, a suicidal Wednesday writing a few words to try to calm myself down, or a Saturday, drunk, as I drop a camouflaged tear on paper. I don't know of a better way to quiet my insomnia, than to fuck my demons with a pair of suicidal poems as I listen to some jazz. I'm writing this in the dark, at 3:10 in the morning as I listen to Blue in Green by Miles Davis. Nothing like a saxophone to accompany my words. It's curious but bleeding out on paper is one of those things that makes me feel more alive than ever.

**Re-mapping World Literature**-Gesine Müller 2018-03-05 How can we talk about World Literature if we do not actually examine the world as a whole? Research on World Literature commonly focuses on the dynamics of a western center and a southern periphery, ignoring the fact that numerous literary relationships exist beyond these established constellations of thinking and reading within the Global South. Re-Mapping World Literature suggests a different approach that aims to investigate new navigational tools that extend beyond the known poles and meridians of current literary maps. Using the example of Latin American literatures, this study provides innovative insights into the literary modeling of shared historical experiences, epistemological crosscurrents, and book market processes within the Global South which thus far have received scant attention. The

contributions to this volume, from renowned scholars in the fields of World and Latin American literatures, assess travelling aesthetics and genres, processes of translation and circulation of literary works, as well as the complex epistemological entanglements and shared worldviews between Latin America, Africa and Asia. A timely book that embraces highly innovative perspectives, it will be a must-read for all scholars involved in the field of the global dimensions of literature.

When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented--they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go.
