**The Traitor’s Mistress**

David Grace 2010-06-02 Secretary of State, Randall Tanner, was shocked when he read the Top Secret file discovered by one of his Ambassadors that revealed that the President was guilty of treason. After three agonizing days he decided that there was no other solution: The President had to die. Tanner initiated a plot to have President Ted Hoskins assassinated in a way that would make his death look like an accident. His mate, the woman of his dreams, is carrying his child, and they are in danger from a gang of Griffins. Harper is stuck in an endless cycle of emotional and physical abuse. She clings to the hope of all of the promises for a family that will never come true. Marshall declares daily. However, as her abuser, the leader of the Griffins, keeps her trapped, she begins to worry that things will never change. The leaders of the Griffins are in love with each other and they are planning to have a baby together. They believe that they can have everything they want without any consequences. **The Deception and Betrayal Caused by a Cheating Spouse**

Stephenie Pompano 2010-07 New relationships, marriages, and courtships are usually fun and exciting until something goes wrong. Being personally violated by a loved one is one of the deepest wounds to be cut with. You believe something like this will never happen to you until it does. Please learn that if you are the individual who has been violated, you did nothing wrong. When an affair develops those involved may use excuses and untruths to validate their actions. Also, if exposed or confronted some may not want to be held accountable for their behavior or pay any consequences. This is not in every case that is why I am saying only some. Violated relationships can either dissolve permanently or can mend over time. For those that mend it takes a lot of time, patience and understanding. Broken trust is the hardest aspect to earn again. A very important lesson I am hoping to teach my readers is if you are in a relationship with someone and are tempted to be with someone else, you end the relationship you are currently in and then move on. You have no right to cheat and hurt another human being.

**Spy**- 1994-03 Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" -- Dave Eggers. "It's a piece of garbage" -- Donald Trump.
