Winning through Intimidation-Robert Ringer 2013-10-01 The completely updated classic and New York Times #1 bestseller that has captivated millions of readers worldwide!

Looking Out for #1

Robert Ringer 2013-11-01 In this timeless classic, Robert Ringer, “the mentor to mentors,” guides you on the most exciting and rewarding journey of your life with his life-changing ideas, strategies, and insights. Whether it be your business or personal life, Ringer helps you understand the realities of how the world really works as opposed to how others might like you to believe it works so they can use you to get what they want. Most important, this legendary author writes from the vantage point of someone who has been in the tribulation trenches and not only survived, but prospered. And in his trademark, satirical style, he does it in a way that is not only practical, but both entertaining and easy to understand. Simply put, there has never been a single source of workable wisdom to equal that contained in Looking Out for #1. And because human nature and universal laws never change, Robert Ringer’s philosophy is as relevant today as it was when this landmark book was first published. Read Looking Out for #1 today and join the millions of people in all walks of life who have discovered the true path to purpose, prosperity, and peace of mind by tapping into Robert Ringer’s treasure chest of profound knowledge and wisdom.

Action!

Robert Ringer 2004-01-01 Identifying "action" as the most important virtue in measuring success, the author offers a humorous collection of anecdotes that are designed to encourage readers to take action in the moment and approach life with a "carpe diem" attitude.

The Tartan Ringers

Jonathan Gash 2014-04-03 I like to think that, when feeling my way carefully through the rituals of passion, the lady in question has pretty much my full attention and very few things will distract me from the job in hand. A murder just outside is one of them . . . The victim, and two other antiques dealers who also came to a sticky end, were all working the same Scottish connection that I had been cultivation, so I decided to make myself scarce for a while. Where better to hide than at the root of the problem in the wilds of Scotland? There may be nothing very Scottish about me but, when my life's on the line, I can blend into the Highlands like a haggis in the heather. It was also the best place to find out why the antiques trade down south had become such a dangerous business.

Getting what You Want

Robert J. Ringer 2000 The author shares his insights into achieving success in every area of life--from business and financial security to romance.

Summary:

Looking Out for No. 1-BusinessNews Publishing 2014-10-14 The must-read summary of Robert J. Ringer's book: "Looking Out for No. 1: From Where You Are to Where You Want to Be". This complete summary of the ideas from Robert J. Ringer's book "Looking Out for No. 1" shows how looking out for number one is the conscious, rational effort to spend as much time as possible doing those things which bring the greatest amount of pleasure and less time doing whatever causes pain. In his book, the author explains how you can overcome the obstacles that stop you from doing this. This summary details each of the obstacles that you may face and the techniques that will help you to surmount them and stay on the path towards your goal. Added-value of this summary:
• Save time
• Understand key concepts
• Expand your knowledge
To learn more, read "Looking Out for No. 1" and find out how to prioritise your own goals and focus on your own happiness.

To be Or Not to be Intimidated?

Robert Ringer 2003-12-18 In candid terms the book explains what intimidation is, why you become intimidated, and how you can avoid the mental lapses that can cause even the most successful people to sometimes fall victim to intimidation.

Restoring the American Dream

Robert Ringer 2010-08-03 Completely updated edition of one of the classic works of conservative literature Long before the advent of conservative talk radio and Fox News, Robert Ringer was an outspoken advocate for the cause of freedom and free enterprise. In this classic work–updated for the 21st century–Ringer’s basic premise is that liberty must be given a higher priority than all other objectives. The economic and political calamity that he warned about in the late seventies is now upon us, and his new edition of Restoring the American Dream is sure to resonate with the feelings of today’s angry voters. In his book, Ringer explains that:
• The American Dream is not about increased government benefits and government-created “rights,” but, rather, about individualism, self responsibility, and freedom—including the freedom to succeed or fail on one’s own
• The barbarians are not at the gates; they are already inside
• Ordinary citizens no longer tell their elected officials what to do. Rather, government tells them what to do–and backs it up with force
• The desire of people to band together to bring about quick, short term solutions to their problems through government intervention has perpetuated a cycle that has nearly destroyed the American Dream
With Washington continuing to expand government power and spending at a record pace, Restoring the American Dream is a voice of sanity in a world gone mad.

Summary:

Million Dollar Habits-BusinessNews Publishing 2014-10-14 The must-read summary of Robert J. Ringer's book: "Million Dollar Habits: Make Success the Habit of a Lifetime". • Save time
• Understand the key concepts
• Conduct transactions effectively
To learn more, read "Winning Through Intimidation" and discover how to get the upper hand in a transaction!

Dead Ringers - Sherlock Holmes Stories

Robert Perret 2020-02-10 Join Holmes and Watson on eleven original adventures, spanning their earliest collaboration to their service to the Crown in the Great War. Revisit A Study in Scarlet, return to The Copper Beeches, and learn the shocking truth behind the Bogus Laundry Affair. There will be murder under the big top, ancient prophecies come true, and a mysterious new queen of crime all putting the Great Detective to the test in these action-packed stories. This volume collects the best traditional pastiches by Robert Perret, Sherlockian author and scholar, and member of the John H. Watson Society and Doyle's Rotary Coffin.

The Ringers' Handbook

E. S. Powell 1932

Dead Ringers

Jennifer Forrest 2012-02-01 Addresses the important role of remakes in film culture, from early cinema to contemporary Hollywood.

Dead Ringers

Shehzad Nadeem 2013-09-23 In the Indian outsourcing industry, employees are expected to be "dead ringers" for the more expensive American workers they have replaced–complete with Westernized names, accents, habits, and lifestyles that are organized around a foreign culture in a distant time zone. Dead Ringers

chronicles the rise of a workforce for whom mimicry is a job requirement and a passion. In the process, the book deftly explores the complications of hybrid lives and presents a vivid portrait of a workplace where globalization carries as many downsides as advantages. Shehzad Nadeem writes that the relatively high wages in the outsourcing sector have empowered a class of cultural emulators. These young Indians indulge in American-style shopping binges at glittering malls, party at upscale nightclubs, and arrange romantic trysts at exurban cafés. But while the high-tech outsourcing industry is a matter of considerable pride for India, global corporations view the industry as a low-cost, often low-skill sector. Workers use the digital tools of the information economy not to complete technologically innovative tasks but to perform grunt work and rote customer service. Long hours and the graveyard shift lead to health problems and social estrangement. Surveillance is tight, management is overweening, and workers are caught in a cycle of hope and disappointment. Through lively ethnographic detail and subtle analysis of interviews with workers, managers, and employers, Nadeem demonstrates the culturally transformative power of globalization and its effects on the lives of the individuals at its edges.

How You Can Find Happiness During the Collapse of Western Civilization

Robert J. Ringer 1983 Identifies the force's shaping today's--and tomorrow's--world, describes the traits necessary for success, and explores specific areas of action that will ensure success and survival

Water Capitalism

Walter E. Block 2015-10-30 Water covers some 75% of the earth’s surface, while land covers 25%, approximately. Yet the former accounts for less than 1% of world GDP, the latter 99% plus. Part of the reason for this imbalance is that there are more people located on land than water. But a more important explanation is that while land is privately owned, water is unowned (with the exception of a few small lakes and ponds), or governmentally owned (rivers, large lakes). This gives rise to the tragedy of the commons: when something is unowned, people have less of an incentive to care for it, preserve it, and protect it, than when they own it. As a result we have oil spills, depletion of fish stocks, threatened extinction of some species (e.g. whales), shark attacks, polluted and dried-up rivers, misallocated water, unsafe boating, piracy, and other indices of economic disarray which, if they had occurred on the land, would have been more easily identified as the result of the tragedy of the commons and/or government ownership and mismanagement. The purpose of this book is to make the case for privatization of all bodies of water, without exception. In the tragic example of the Soviet Union, the 97% of the land owned by the state accounted for 75% of the crops. On the 3% of the land privately owned, 25% of the crops were grown. The obvious mandate requires that we privatize the land, and prosper. The present volume applies this lesson, in detail, to bodies of water.

The Church Bells of Buckinghamshire

Inventory control record 1-Great Britain. Parliament. House of Commons 1904

Ringers and Belles

Ted Keating 2006-12 Ringers and Belles is a love story loaded with action and suspense. Intrigue in top level horse racing is the driving force.

Dead Ringers

Christopher Golden 2015-11-03 When Tess Devlin runs into her ex-husband Nick on a Boston sidewalk, she's furious at him for pretending he doesn't know her. She calls his cell to have it out with him, only to discover that he's in New Hampshire with his current girlfriend. But if Nick's in New Hampshire...who did she encounter on the street? Frank Lindbergh's dreams have fallen apart. He wanted to get out of the grim neighborhood where he'd grown up and out of the shadow of his alcoholic father. Now both his parents are dead and he's back in his childhood home, drinking too much himself. As he sets in motion his plans for the future, he's assaulted by an intruder in his living room...an intruder who could be his twin. In an elegant hotel, Tess will find mystery and terror in her own reflection. Outside a famed mansion on Beacon Hill, people are infected with a diabolical malice...while on the streets, an eyeless man, dressed in rags, searches for a woman who wears Tess's face...in Christopher Golden's Dead Ringers.

Dead Ringers: Volumes 7-9

Darlene Gardner 2014-12-09 A paranormal mystery serial for young adults on up. All nine 25,000-word volumes now available in boxed sets of three and in a complete collection!
Dead Ringers 7: THE MENTALIST—Jade has good reason to keep her discovery that she can read minds a secret: Telepathy is behind what's happening in Midway Beach.
Dead Ringers 8: FREAK SHOW—To save her friends, Jade has to embrace her telepathic ability. If only she could figure out how to use it.
Dead Ringers 9: HALL OF MIRRORS—With Ringers on the loose and danger all around, an archenemy harboring an ulterior motive approaches Jade with a plot to stop to the madness.

Dead Ringers: The Complete Collection

Darlene Gardner 2014-12-09 Contains all nine volumes of the paranormal mystery serial. For young adults on up. Jade Greene remembers nothing from the time she went missing except a blinding headache and an evil clown with a syringe. Not exactly the stuff to convince others of her sanity. Nobody at the summer carnival believes Jade was even in danger except her secretive co-worker Max Harper, a stranger she can neither trust nor resist. But things about Max don't add up. Like why does he turn up wherever Jade is? Why is he so evasive? And why do people around him keep ending up dead? Only two things are certain: People in town aren't who they seem. And things for Jade are about to get much, much worse

Ringers & Rascals

David Ashforth 2004 Chronicles Peter Christian Barrie's efforts to fool horse racing authorities by painting horses with henna dye to disguise good race horses as bad ones, fooling betters and fixing races.

The Bell Ringers

Henry Porter 2011-01-11 A corrupt prime minister uses current anti-terror laws to Orwellian extremes in this “sophisticated, engrossing, and important political thriller” (The Washington Post). In a near-future England, there are still concerns about terrorism, the press is still feisty, and the prime minister is about to call a general election. But unknown even to most government officials, new technology and anti-terror laws have been used to establish unprecedented control over the lives of ordinary citizens. A top-secret data-mining system known as Deep Truth combs through personal records, identifying law violators as well as anyone disposed to “antigovernment” beliefs. David Eyam was once the prime minister’s head of intelligence, but after a mysterious fall from grace, he was killed by a terrorist bomb while on vacation in Colombia. Now his former lover, Kate Lockhart, has been named the benefactor of his estate. But Eyam has left her more than just wealth; Lockhart is also heir to his dangerous secrets. “North by Northwest meets House of Cards . . . Porter claims that the novel is set in the near future. Don't be fooled.” —Cullen Murphy, Vanity Fair “Scary, informative, and, alas, eminently believable.” —The Economist “Superb.” —Anna Mundow, The Boston Globe

The change-ringers' guide to the steeples of England, compiled by J.E. Acland and R.H.D. Acland-Troyte

John Edward Acland 1879

Defending the Gospel in Legal Style

John Warwick Montgomery 2017-10-25 Traditional apologetics is either focused on obscure, quasi-Thomist philosophical arguments for God’s existence or on 18th-century-style answers to alleged biblical contradictions. But a new approach has recently entered the picture: the juridical defence of historic Christian faith, with its particular concern for demonstrating Jesus’s deity and saving work for humankind. The undisputed leader of this movement is John Warwick Montgomery, emeritus professor of law and humanities, University of Bedfordshire, England, and director, International Academy of Apologetics, Evangelism and Human Rights, Strasbourg, France. His latest book (of more than sixty published during his career) shows the strength of legal apologetics: its arguments, drawn from secular legal reasoning, can be rejected only at the cost

of jettisoning the legal system itself, on which every civilised society depends for its very existence. The present work also includes theological essays on vital topics of the day, characterised by the author's well-known humour and skill for lucid communication.

The history and topography of ... Essex-Thomas Wright 1836

The Entrepreneur-Robert Ringer 2012-07-17 Outlines the threats to entrepreneurs and entrepreneurship that the author sees from the progressive agenda and the administration of Barack Obama, and offers advice for entrepreneurs on how to thrive despite this adverse environment.

The Diggstown Ringers-Leonard Wise 1978

The Flip-D. Sidney Potter 2010-11 During the first six years of this decade, the promise of quick profits coupled with risky decision-making led people from all walks of life to risk everything in the real estate investment market. Houses were flipped from investor to investor; it was a billion-dollar game of musical chairs. D. Sidney Potter ate, slept, and breathed real estate flipping from 2002-2007. Based in Pasadena, California, he was at ground zero when the real estate bomb exploded. From the mind-blowing profits to the collapse of a paper empire, Potter was a firsthand witness to the fallout of the real estate bubble. The Flip is an inside look at the actions and strategies behind the housing bubble and its aftermath. Potter explores well-tested strategies for success in real estate, as well as giving an in depth account of the risky behaviors that can lead to losing it all.

Religion and Identity in the Post-9/11 Vampire-Christina Wilkins 2018-04-03 This book offers a unique argument for the emergence of a post-9/11 vampire that showcases changing perspectives on identity and religion in American culture, offering a look at how cultural narratives can be used to work through trauma. Cultural narratives have long played a valuable role in mediating difficult and politically sensitive topics. Christina Wilkins addresses how the figure of the vampire is used in modern narratives and how it has changed from previous incarnations, particularly in American narratives. The vampire has been a cultural staple for centuries but the current conception of the figure has been arguably Americanized with the rise of the modern American vampire coinciding with the aftermath of 9/11. Wilkins investigates changes evident in cultural representations, and how they effectively mediate the altered approach to issues of trauma and identity. By investing metaphorical tropes with cultural significance, the book offers audiences the opportunity to consider new perspectives and prompt important discussions while also illuminating changes in societal attitudes.
