Nirvana in Theravada Buddhism. According to Theravada Buddhists, one can achieve the serenity of Nirvana, or liberation from the agonizing effects of desire, by dedication to the abandonment of the distractions of life. 2 In order to do so, the Buddha recommends that one should discipline their mind and body. 3 This is because the results of practicing self-discipline can help to lead ...

Nov 24, 2021 · In the 2013 Supreme Court ruling of Association of Molecular Pathology vs Myriad LLC, lawmakers stated human genomes altered by mRNA vaccines can be patented. Anyone who has received the COVID inoculation is now considered transhuman and therefore the patent owner’s property.

**The Gnostic World View: A Brief Summary of Gnosticism**
The Human Being. Human nature mirrors the duality found in the world: in part it was made by the false creator God and in part it consists of the light of the True God. Humankind contains a perishable physical and psychic component, as well as a spiritual component which is a fragment of the divine essence.

**Other Minds (Stanford Encyclopedia of Philosophy)**
May 02, 2019 · 1. The (Traditional) Epistemological Problem. The traditional epistemological problem of other minds is often associated with scepticism. The sceptic raises a doubt about the possibility of knowledge in connection with the mind of another; a doubt which is thought to follow from a more general doubt raised by Descartes concerning our knowledge of the external world.
