Understanding Human Behavior and the Social Environment Charles Zastrow 2010 Bestselling UNDERSTANDING HUMAN BEHAVIOR AND THE SOCIAL ENVIRONMENT, 8e, INTERNATIONAL EDITION looks at lifespan through the lens of social work theory and practice as it covers human development and behavior theories within the context of family, organizational, and community systems. Using a chronological lifespan approach, the text presents separate chapters on biological, psychological, and social impacts at the different lifespan stages with an emphasis on strengths and empowerment.

Project Management Harold Kerzner 2009-04-03 The landmark project management reference, now in a new edition Now in a Tenth Edition, this industry-leading project management "bible" aligns its streamlined approach to the latest release of the Project Management Institute's Project Management Body of Knowledge (PMI's PMBOK® Guide), the new mandatory source of training for the Project Management Professional (PMP®) Certificat-ion Exam. This outstanding edition gives students and professionals a profound understanding of project management with insights from one of the best-known and respected authorities on the subject. From the intricate framework of organizational behavior and structure that can determine project success to the planning, scheduling, and controlling processes vital to effective project management, the new edition thoroughly covers every key component of the subject. This Tenth Edition features: New sections on scope changes, exiting a project, collective belief, and managing virtual teams More than twenty-five case studies, including a new case on the Iridium Project covering all aspects of project management 400 discussion questions More than 125 multiple-choice questions (PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.)

Practical Stress Management John A. Romas 2013-03-22 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Practical Stress Management is a focused, personal, worksheet-based text that combines theory and principles with hands-on exercises to help you manage the negative impact of stress in your life. The Sixth Edition has been completely updated and provides students with online access to MP3 files of guided relaxation techniques and downloadable worksheets. As a practical tool for recognizing and preventing stress, the action-oriented approach enables you to make personal change through self-reflection and behavior change techniques. The workbook emphasizes a positive approach to stress management, covering topics such as relaxation techniques, coping with anxiety, managing anger, communication skills, and exercise and nutrition. In this edition, the authors cover financial stress and expand their section on sleep. Worksheets and Thoughts for Reflection boxes help you determine your own level of stress and apply effective stress management techniques.

Direct Social Work Practice 2018

Macro Skills Workbook Karen Kay Kirst-Ashman 2001 This workbook provides a wide range of exercises, role playing activities and case scenarios to help students practice specific macro skills. The text's versatility allows it to be the primary text in a practice course or as a supplement to accompany other macro theory texts, especially GENERALIST PRACTICE WITH ORGANIZATIONS AND COMMUNITIES, 2nd by the same authors! The authors integrate macro development for field internships, as well as enhance macro skill development for social workers in the field. Specific macro practice skills are presented in a straightforward manner, and both applications to actual macro practice situations and the importance of client system strengths are emphasized throughout.

Direct Social Work Practice Dean H. Hepworth 2012-01-01 This new practice-oriented workbook includes experiential learning exercises explicitly aligned to the practice behaviors recommended in the Council on Social Work Education's (CSWE) Educational Policy and Accreditation Standards (EPAS). The workbook encourages students to begin developing their skills with social work practice behaviors through Case-Based Exercises, Short Answer ethical questions, critical-thinking questions, and role-play exercises in class or as activity assignments to be done outside of class. Each exercise is linked to specific practice behaviors, and each chapter is followed by an assessment rubric to be completed by the student, a peer evaluator, or their instructor to foster accountability. NEW: The entire supplement is new to this edition. *Empowerment Series: Social Work and Social Welfare* Rosalie Ambrosino 2015-02-03 Reflecting the latest practices, accreditation requirements, and developments from the field, the eighth edition of bestselling SOCIAL WORK AND SOCIAL WELFARE gives readers a broad understanding about the social work profession and the role it plays in the social welfare system. Part of the Brooks/Cole Empowerment Series, the text is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). With its signature systems/ecological approach to understanding social welfare, the book focuses on specific social welfare areas in which social workers play major roles in policy and practice. It adopts the philosophy that there are many reasons why social problems occur, and that students need to understand the history, values, and economic, political, and cultural factors that surround these issues and the attempts to solve or address them. Instead of presenting a specific political perspective, the authors encourage readers to think critically about issues in a new way. Each chapter opens with a vignette about a social worker in a specific setting and closes with information about the career opportunities for social workers in the area discussed. School Social Work Michael S. Kelly 2021-08-18 School Social Work: Practice, Policy, and Research has been a foundational guide to the profession for over 40 years. Featuring 30 readings divided into five parts, this best-selling text reflects the many ways that school social work practice impacts academic, behavioral, and social outcomes for both youths and the broader school community. The essays include selections from both pioneers in the field and newcomers who address the remarkable changes and growing complexities of the profession. The ninth edition of School Social Work features a stronger focus on evidence informed practice and adds substantial new content related to antiracist practice and trauma-informed care. It retains the holistic model of school social work practice that has informed all previous editions of this cornerstone text, making it a relevant and vital resource for today's practitioners and students as schools grapple with how to deal with the COVID-19 pandemic and its aftermath.

The Social Work Practicum Cynthia Garthwait 2020-05-08 This print textbook is available for students to rent for their classes. The Pearson print rental program provides students with affordable access to learning materials, so they come to class ready to succeed. For courses in Social Work Practicum / Field Experience in Social Work. Theory and practice combine to help students understand, structure, implement, and evaluate practicum experiences. The Social Work Practicum helps prepare students for professional practice by providing a structured and yet individualized map for gaining the competencies required of social work professionals. The format integrates theory and practice to walk readers through the process of acquiring knowledge, developing skills, and enhancing social work values at both the BSW and MSW levels. The author highlights social work practice themes and Council on Social Work Education competencies and behaviors in a concise and usable way, viewing all of these topics through the lens of practicum. The chapters are sequenced to allow for ongoing professional development, while clarifying expectations for applying knowledge and providing experiential learning opportunities that lead to professional growth. The 8th Edition includes an increased emphasis on the preparation for social work practice. The author has expanded and updated information on diversity and working across differences; the use of technology; working with involuntary clients; social work theories and models; communication skills; and the planned change process. This title is also available digitally as a standalone Pearson eText. Contact your Pearson rep for more information.

Surgical Technology Joanna Kotcher Fuller 2012-11-07 Deliver the best patient care before, during, and after surgery with this straightforward, step-by-step guide to

surgical skills and operating room procedures. It provides comprehensive coverage of all the updated AST Core Curriculum, 6th Edition components - health care sciences, technological sciences, patient care concepts, surgical technology, and surgical procedures. A mentoring approach makes even complex skills and techniques easy to understand. User-friendly features such as full-color illustrations, chapter outlines and summaries, review questions, critical thinking exercises, and technique boxes help you focus on the most important concepts and make it easier to retain and recall critical information. Chapter objectives correspond to the latest AST Core Curriculum objectives to ensure you have access to the most reliable information in the operating room. Enhanced critical thinking scenarios at the end of each chapter help you strengthen your critical thinking and clinical decision-making skills and highlight practical applications of key concepts. Additional information on special populations, including bariatric, pregnant, physically or mentally challenged, isolation, trauma, language barrier, and substance abuse patients, highlights important considerations for the surgical technologist regarding transfer, preparation, and procedure set up. Expanded coverage of surgical lasers keeps you up to date with the latest technology so you can effectively assess the function, assembly, use, and care of equipment in the surgical suite. UPDATED! Coverage reflects the new AST Core Curriculum, 6th Edition to keep you current. NEW! Chapters on Disaster Preparedness and Response and Transplant Surgery offer cutting-edge information on these key topics. Coverage of the Assistant Circulator role, as well as a break down of first and second scrub roles, help you better understand the responsibilities of each member of the surgical team. *Understanding Generalist Practice* Karen Kay Kirst-Ashman 1993-01-01 This guide to generalist social work practice provides students with the introductory knowledge and skills needed to work with individuals, groups, communities, and organizations. It explores the links between micro, mezzo, and macro levels of social work practice and is organized around the authors' Generalist Intervention Model, a coherent and cohesive practice model.

The Social Work Skills Workbook Barry Cournoyer 2007-03-23 Now you can get involved in actual hands-on social work practice! Cournoyer's comprehensive workbook/textbook lets you rehearse and practice core skills needed for contemporary social work practice. The author includes interesting case examples and situations that clearly illustrate the essential skills of social work practice. As you work your way through the book's summaries and skill-building exercises, you'll find yourself becoming a more confident, ethical, and effective helper. Empowerment Series: Generalist Practice with Organizations and Communities Karen K. Kirst-Ashman 2016-12-05 EMPOWERMENT SERIES: GENERALIST PRACTICE WITH ORGANIZATIONS AND COMMUNITIES, 7th Edition is designed to help students better understand the dynamics of macro practice, and develop the competencies and practice behaviors required by the Council on Social Work Education's (CSWE) latest Educational Policy and Accreditation Standards (EPAS). Authors Karen Kirst-Ashman and Grafton Hull are adept at creating interesting, realistic cases and practical examples that are skillfully woven into the main text. In clear and accessible writing, they emphasize the practical skills students will need to work effectively in the area of macro practice -- providing leadership, working with supervisors, managing conflict, working with the media, using new technological advances, fundraising, grant writing, and managing stress. The text continues to emphasize the connections between working for change in organizations and communities and the skills used in other generalist practice courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

EBOOK: Social Work Skills And Knowledge: A Practice Handbook Pamela Trevithick 2011-11-16 "What a sensible book, a book born of much wisdom and practical experience. Pamela Trevithick takes the reader on a wonderfully clear but thorough journey of social work's knowledge, skills and values in which theories are elegantly put into practice. The whole enterprise is reassuringly held together by a strong commitment to organised thinking and the value of the social work relationship. For those who want to sharpen their ideas while keeping their practical feet firmly on the ground, this is the book for you." Professor David Howe, University of East Anglia, UK "This new edition is an excellent resource for practitioners, students and indeed managers in social work and social care who are committed to effective practice and service delivery ... Trevithick provides a comprehensive knowledge and skills framework and excellent practice examples to enable the reader to apply the knowledge to undertaking skilled and effective practice. This is a clear, readily understandable and comprehensive text which also integrates the complexity of practising social work. I highly recommend it." Professor Joyce Lishman, recently retired as Head of School of Applied Social Studies, Robert Gordon University, UK "A fantastic guide to social work practice and one I would recommend for the bookshelf of any social work student. It has a user friendly style that presents issues in an accessible way." Kate Grant, Social Work Student, University of Bristol, UK "A brilliant MUST BUY book for all social workers. It covers an amazing range of issues which are easy to find using the index. I will use it constantly throughout my career." Amanda Moorcroft, Social Work Practitioner, UK Since its first publication in 2000, this best-selling text has been an invaluable resource for thousands of social workers preparing for life in practice. Written by an influential academic-practitioner, it is widely regarded as the leading book in its field. The third edition has been thoroughly updated to include sections on theoretical, factual and practice knowledge. Key features include: 4 new chapters that integrate theory and practice in a Knowledge and Skills Framework or 'map' of professional practice 80 social work skills and interventions 12 appendices describing a range of different social work approaches A wide range of practice examples linking theory and practice Social Work Skills is essential reading for all social work students and a valuable reference tool for practising social workers, social services managers and human service professionals.
