*The Unexpected Gift* DI Gallie,2019-11-03 Could an unexpected gift change your life? I hate Christmas. I'm known as the Grinch amongst my friends and co-workers, but most don't know why. Christmas ruins lives or at least mine. When the annual Christmas toy drive brings in a new member, something, well someone, crashes into me and I offer to help in a more hands-on way. Shocking everyone. Why? Marlee Adams. There's something about her. She defrosts my frozen heart and life and Christmas become less bleak. It might be her never-ending legs and what they lead to, or it could her generous heart and infectious smile. Marlee is my unexpected gift and exactly what I need to remember all the things good about this holiday...I just didn't know it yet.

And it would have been if it weren't for the snow storm and a booking mix-up that finds her stranded. That is, until a rough around the edges, green eyed stranger offers a solution. There was no way in good conscience that Colin Hartford could leave the woman with nowhere to stay. Especially on Christmas. He knows all too well what it's like to be alone for the holidays. It isn't long before Colin's determination to enjoy the festivities he's missed for so long sweeps Andi into the season of joy that she's not so sure she's ready for. If Andi can allow herself to open up—just a little—she might finally have the chance to experience everything the holidays can really offer...including love.
